Curated and Exhibited - collective exhibition to raise awareness to the issue of hunger in our world in addition to promote Feed My Starving Children Mega Pack event
- **2013 Curated and Exhibited “Human Rights | Human Wrongs” Collective Exhibition** Curated and Exhibited - collective exhibition to create awareness about Human Traffic and other social issues that affect our society by inspiring difficult conversations through art. This event included a panel discussion as well as an art auction to benefit Organizations that help Women who are rehabilitated and rescued from Human Traffic.
- **2013 “Framed” Street Performance and Art Installation with frame and labels**
Collective exhibition with Ford Motor Company “Espacio Para Tus Sueños”. Framed exposed the way we label ourselves and others.
- **2012 - 2015 Co-creator of ArtCycle** www.facebook.com/artcyclemiami
Curated and Exhibited - collective exhibitions with Local and international artists in the Museum of Coral Gables and Wynwood Art Galleries. We invited artists to intervene bikes and turn them into sculptures and installations. ARTcycle bikes as well as bike-related art were exhibited to promote awareness for bike safety. Bike tours took place as well. ARTcycle was an art event to raise awareness for riders and drivers promoting wellness and safer streets through an active lifestyle while supporting the arts.
